GET INVOLVED

N.E.W. Curative, a private non-profit organization, depends on contributions of financial support and time. These generous gifts allow us to continue to pursue our mission of offering assistance and life-enhancing opportunities to people with disabilities and the elderly.

DONATIONS

You may choose to specify the program for which the gift is to be used, or allow us to use the gift where it is most needed.

ENDOWMENTS

Contributions made to our endowment with the Greater Green Bay Community Foundation allow N.E.W. Curative to use only the investment income to support our programs, while retaining the gifted principal.

FUNDRAISING EVENTS

Events such as Ball-A-Palooza and our Annual Appeal allow us to raise money, increase awareness, and build community support.

MEMORIALS AND HONORARIUMS

Money can be donated in memory of a loved one, or to honor those who have touched your life in a special way. Bricks can also be purchased for our memorial walkway.

PLANNED GIVING

Bequests, real estate, life insurance, annuities, etc., provide you with a means to support the organization beyond the giving of current assets. These future donations ensure long-term security, stabilities and funding for N.E.W. Curative Rehabilitation.

VOLUNTEER

Give a little piece of yourself to our agency and find out how rewarding it feels to volunteer.

SHELTERED INDUSTRIES (SI)

SI, a division of N.E.W. Curative, is an industrial subcontractor specializing in converting and packaging. It not only provides an environment where workers with special needs can get work-related instruction, training and career guidance; but also offers a low-cost production alternative to businesses throughout Northeast Wisconsin. Revenues from Sheltered Industries are used to support other N.E.W. Curative programs that provide uncompensated services to our community.
